

TAMMUZ Organization for Social development Assists the Special needs people

TAMMUZ organization began to distribute 100 chairs for the crippled in Alnasirya office of the Organization on the date of 30th Of July 2009. Huge congregation of the special needs individuals as in addition to the attendance of the media, some NGO organizations. The representative of UNAMI in the south region also attended the occasion. The crippled also were provided with other equipments like the scratches. The organization depended on the transparency and non-bias justness in the distributing the equipments. The procedures of acquiring the supplies were a solicitation request submitted by the individual as well as document from the area consultant in addition to medical report proves the credibility of the patient case. The attendance of the patient is a must to the Organization headquarter (HQ) to certify his\ her case and to receive the equipments.

It is worth noting that TAMMUZ organization for Social development has executed group of initiatives and humanitarian activities to provide and supply the sanitary, health, concrete as well as spiritual assistance to all layers of the community. TAMMUZ organization is proceeding in backing the fraternity, cooperation, and peace among the civil society components to serve the public affairs.
