

Tammuz Organization to open Youth Media center

Tammuz organization for Social development opened a media center for Youth training in Baghdad-Alwaziriya on the date of November 1 2010. The goal of the center is to build the media capacities of youth and developing them to reach an appropriate level to have a role in various social issues. This project is to employ media and journalistic capacities to prevail the concepts of peaceful living and violence rejection.

The training courses are employed to have teamwork in the field of media to recognize the missions in the field of journalism and learning the tools to enrich their knowledge with information in the field of media and journalism. The training of the center includes dialog sessions and various drills to pedagogue the concepts of human rights and democracy and the concepts of peaceful living among youth.

In conclusion, it is worth mentioning that Tammuz organization held many projects for youth and inaugurated more than one center of training in Baghdad and other provinces as it believed in the crucial factor that youth have in society development and building the correct bases.
