Tammuz Organization for Social Development supported and organized a wide range of organizations of civil society activities and the activities of a variety of conferences, meetings and workshops to educate and sit-ins peaceful rallies in front of the House of Representatives and presence of Iraqi provincial and send delegations to meeting with officials and decision makers in order to develop a popular movement to demands significant claims including:

- Inviting members of the House of Representatives to exercise their national and political responsibility to end the session of the Parliament immediately and electing the three sovereign presidencies.
- Speeding up the formation of a government of national partnership on the basis of sincerity, competence and integrity.
- Formulation of a government program for the consolidation of intensive security and political stability and the reform of infrastructure, the provision of public services and promote the reality of living of the citizens and improve the performance of Governmental authorities and tackle poverty and unemployment, displacement and homelessness issues.
- Protection of human rights and public freedoms through

constitutional and legal safeguards, including Freedom of expression and association and the media and the right of access to information.

- Promote the political process and democratic structure through the enactment of the political parties And amending the election law and respect for the independence of the authority of the judiciary and raise efficiency.

The sit-in took place in front of Baghdad's Green Zone, in front of the House of Representatives and raising slogans urging the Government to speed up the formation of the Iraqi state, despite opposition from the security forces and the army who tried to scare us away from places near the Green Zone and trying to weakening the participating organizations sitting in. It is noted that our organization has participated in the sit-in happened in the province of Dhi Qar in front of the provincial council in order to appeal to the government to expedite the convening of parliament and government formation. And there was also a sit- in for our organization in Anbar, with a group of organizations in the building of the Sunni Endowment building in Fallujah under the slogan ((commitment to the constitution is the right of the Iraqi people)). It is noted that our Organization in Babil province has been barred from protest in front of the provincial council, which led to additional discussions and visits with officials in the province in order to deliver to the Government and take decisions that in the interest of civil society and the Iraqi state.
