The topics of the workshop were relating to discuss the minorities emigration and depriving them from their rights, absence of law and the marginalization them in the community. The attendants discussed the possibility of finding solutions to enable the, activate their role in the community and preserve their role in the country and reducing the emigration abroad.

It is worth mentioning that Tammuz organization has huge role in implementing and performing the projects and assistance for minorities and the top of that is the project of “peaceful living”. Tammuz organization is continuing in implementing these projects to serve the public and to find civil society empty of sectarian, ethnic conflicts.
