

Under the Slogan of Democracy to Totalitarianism Tammuz Organization Participate in the Conference of Arbil and Accountability for Reconciliation in Iraq

Tammuz organization for social development Participated in Erbil on the representative by our Colleague Vien Sheikh Ali president of Tammuz organization in the work of the reconciliation and accountability systems by the Organization of the "International Alliance for Justice and the" no peace without justice in collaboration with the "World forgiveness the support of the Iraqi Council of Representatives and the Parliament of Kurdistan - Iraq and the Kurdistan Regional Government of Iraq and the future organization and the Italian and Greek governments. As the conference continued for the period 7-9 May 2009, in the corridors of the conferences palace in Arbil.

Conference brought together a large number of leaders and representatives of all the components and the political blocs in Iraq, including representatives of the legislative and judicial authorities and opinion makers and leaders of civil society, representing large segments of Iraqi society, in addition to a number of international experts from different parts of the world come to display their expertise and experiences in the difficult transition period for the transition from totalitarianism to democracy.

The aim of the conference is to create a space for consultation on how to achieve reconciliation and the transition to true democracy, with the consultation through the interventions and ideas, resulting from the discussions which contributed to most of the participants during the workshops and nine specific themes and levels, which is to achieve national reconciliation through it.

Contributed to our discussion topics and to enrich the idea of the role of civil society organizations and their contribution to achieving national reconciliation and its potential in promoting a culture of tolerance and acceptance of others and non-violence, the organization also participated in some of the logistical and administrative business of the Conference, through the voluntary participation of three of our colleagues to do so.

It should be noted that our organization is one of the first organizations that have implemented projects and activities that contribute to the achievement of national reconciliation in Iraq, where it has already carried out projects to promote coexistence in Iraq, the slogan of national and religious diversity and cultural and enrichment factor of strength, not weakness or division, in areas characterized by the diversity of components or unstable security. Currently implemented on the Organization for Social Development project in Kirkuk in order to make it a model for twinning and peace among the Iraqis.
