

Tammuz organization for Social Development holds two courses for eradicating illiteracy and Computers in Babil

Starting from the concept of Education significance and in continuation with the campaign of (One Goal, Education for All), Tammuz organization has started two courses for eradicating illiteracy and Computers. The activity of eradicating the illiteracy was established in cooperation with the directorate of education in the Babil Province by allocating particular curriculums for elders' education. These curriculums are intended to facilitate the process of education for elders to get the general benefit in the society.

The organization is intended to build the capacities of youth and teaching them the concepts of computers and eventually creating aware generation in the society to create flourishing community and to follow the steps of the advanced technological paces the world made.
