

Tammuz Organization held an educative forum in Mesan under the slogan (The elector Data Card... Is the guarantee to elector's right in Election)

Tammuz Organization for Social Development has Held Educative meeting in Mesan Governorate on 11 of August 2009. That Course was dedicated to identify some information about the Data Card that had been distributed by the Higher Commission of Election. The meeting emphasized the necessity of enlightening the voters about the importance to consult the Updating centers of electors Register in these cases to guarantee the voter's right in the election:

- 1- In case of not receiving the voters election card.
- 2- In case of having mistaken information in the card.
- 3- In case of have distant center from the elector's site and to switch it to close one.
- 4- In case of having (mortem) case in the family.
- 5- In case of receiving a card about individual who is not in the family

Some of the important officials attended the meeting like the representatives of the Higher Commission of Election in the Governorate as well as some writers and journalists.

It is worth to note that Tammuz organization is continuously having educative meetings and workshops to educate the voters about the importance of participation in the election. These workshops were and still are held all over Iraq to educate the voters in addition to the workshops that are for the training of observant. The ultimate goal is to have integrated and free election to create more flourishing and Democratic Country.
