cooperation with the fair has organized a  
discussion forum on mechanisms to promote  
ethical conduct in the governorate of Diwaniyah**

The department of affairs in The integrity Committee cooperation with Tammuz organization for social development had held a organized a discussion forum entitled (mechanisms to promote ethical conduct in the public and private) on the Freedom Hall in the province of Diwaniyah and the presence of a large number of civil society organizations, the media and managers of government departments and the private sector in the governorate.

The symposium was attended by Mr. Abdul Karim Zia inch deputy governor of Diwaniyah, and delivered a speech which called for concerted efforts to reach a satisfactory outcome with regard to the issue of administrative corruption and ways to eliminate it and the call that there will be a great match between words and deeds to all. "

Beyond Dr. Najim Al-Faham official of the Integrity Committee of the Council of maintaining speech in which he said that "our society and our Islamic nation has a lot of legacy codes of integrity and everyone should follow these codes."

As the speech of representative of the Tammuz Organization for Social Development in which he explained the educational role played by the Organization of July in order to meet the administrative corruption and promote ethical behavior in society, and called his speech during the civil society organizations to work collectively to reduce the administrative and financial corruption was rampant in Iraq, which we believe that the gravity not the least of the danger of terrorism

And after a lecture in the symposium were presented by Mr. Mustafa Naeem, teaching at the Faculty of Education Department of Psychological and Educational Sciences, University of Qadissiya in which he talked about the psychological aspect and the big role of starting the real work of society and institutions free of the features of administrative corruption .

The second lecture was by Dr. Jabbar Khmat stressed the need for academics to take upon themselves the dissemination of a culture of integrity and the pluses and the minuses of society. "

For their part, the number of students attending the symposium should be held more than a symposium and the need to develop programs for the deliberate reduction of administrative corruption, which is Iraq which is at the heart of the world in terms of money wasted. "

It should be noted that the Tammuz Organization for Social Development in collaboration with integrity has a similar dialogue in the governorate of Dhi Qar, and it is hoped that the symposium held in the future in the governorate of Basra.
