

## Under the slogan of 'citizenship is to equalize all' Tammuz organization organized the first program for citizenship in Iraq

Tammuz organization held the program for enhancing citizenship and civility in cooperation with the center of teachers innovation.

Some 20 teachers participated in the program from various schools in Baghdad. The program meeting started from October 13 through October 16 2011 under the supervision the Iraqi ministry of education

The first session started by warm welcoming of the participants by Ali Al-Dujaily, the secretary of the organization. Mr. Ali introduced the participants and identified the objectives of the organization in Iraq and identified the principles of citizenship and the precarious stages of the citizenship. After the discussion, the attendants discussed the general concepts of policy the its connotation reference as an introduction to the rest of the session

The core concept of the course is citizenship. The attendants discussed this concept and its various definitions as well as the theoretical and practical application of this concept in society. The discussion included a talk about the role of youth in society and the principles that they have to have to be active participants

The attendants thanked Tammuz organization representatives for their interest in such vital issues in society. The organization handed participant certificates to the participants.
