

**Tammuz organization for social development
has a membership in Coordinating body in the Arabic Network for Human Rights
Education and citizenship – Anher**

Our colleague **Vian Sheikh Ali** a president of Tammuz organization had participated in the regional meeting of the Arab Network for Human Rights Education and citizenship - subject. This was held in Beirut for 3 - Nov. 8. During the meeting, study the activities of the network over the past two years, surveillance and prepare training programs and development and defending human rights in countries that are represented by members of the North Africa and the Middle East, as well as provide ideas and proposals contribute to the development of the network, which is the coordinating body on board and follow-up implementation.

During the days of meeting they visit a number of Lebanese institutions working in the field of human rights and education in order to benefit from their experiences and cooperate with it.

This was the first meeting of the Coordinating commission in the 9-11 / November, to which all members of the coordinating commission, which was elected last October, through the democratic electoral process fair attended by 66 members and a direct vote via the website on the network.

It should be noted that our colleague **Vien Sheikh Ali** represented by won in the membership of the coordinating commission for the network which is composed of seven members of the organizations and institutions active in both the (Iraq, Palestine, Morocco, Egypt and Yemen).

Addressing the first meeting of the Coordinating commission discussion and approval, documentation and structural mechanisms, plans and objectives of the network for next year 2009.

It should also be noted that the Arabic Network for Human Rights Education and citizenship - Subject is currently working as a partnership with the World Aquetas for Human Rights Education and funded by the Canadian government. In many network programs and projects to be implemented in cooperation with international institutions and organizations and the network - Anher subject to a regional office in Amman to follow up the functions of the network.
