

TAMMUZ organization, which is part of IDFN, has made press conference to declare its report about the observation of Parliament and presidency of KRG

TAMMUZ organization which is part of the IDFN has made a conference on the morning of 30<sup>th</sup> of July 2009 in International Erbil Sheraton (Hotel). The organization declared its observation report which contained its assessment about the process of election for the parliament and presidency of KRG.

During the press conference which was attended by huge number of Press and media, Vian Alskeikh Ali , Gofend Shafeek and Abdul Satar Esmat Yonis have talked about the procedures of the election . The colleges have talked also about the precocious preparation of the Organization to observe this election. The spoke also about the issuing of Election law, which was agreed upon by the Parliament and KR. There was also mentioning to the instructions and systems, which were issued by the Higher Commission fro Election.

Three thousands and five hundred fifty two observers have participated in the activities of the observation from both sexes. The network has observed all the phases of the election starting from renewing the Election Register to the Lottery of specifying the competing lists to have an overview about the electoral campaign. There was another activity concerning the monitoring the media silence and the private voting.

The organization has also participated in the observing the Sorting and isolation of election sheets as well as accompanying the Election boxes. The organization also observed in the (Tele-center) in the national center of Baghdad along the hours of tiring and exhausting work.

The report included the mentioning the activities of the competing entities and the number of the electors as well as the nature of the law of election. The Security aspect took lion's share of the report. The report included the activities of the Commission and mentioning the violations and gabs through out the election. Some conclusions were mentioned about

the general positive atmosphere. The Management of the election by the Higher Commission of Election was unique as it led it neutrally. The Higher Commission of Election succeeded in distributing the centers of election in the same time as well as providing the logistic and technical means for the centers.

Our colleges in the press conference have focused on the recommendation for the Higher Commission that included having national plenary Census to figure out the exact numbers of electors on its light. They also focused on issuing cards for the electors containing the name of his or her as well as the name of the election center. These cards should be issued in the exact time and distributed equally for all the citizens to guarantee their rights in contributing in the election

The Press Conference discussed the importance of issuing law for the parties to force them to give promises to depend the Democracy either within the party itself or with the others. There is also mentioning for enacting laws to organize the electoral process and the issues of sponsoring the organizations. This to-be law should specify the Expenditure roof for each organization in order to have balance among the competing parties as well as the disciplines for the ones who have the right to participate in the election.
