

Tammuz organization for social development has participated in dialogue workshop on the ways of communications and networking among the civil society organizations.

TAMMUZ organization has participated in the workshop on the ways of networking and communication which was held in Erbil -Kurdistan region. The workshop was organized by the IDFN in cooperation with ALTERNATIVE ORGANIZATION-CANADA.

. The period of the workshop was from the 3<sup>rd</sup> of July-2009 through the 9<sup>th</sup> of the same month.

The workshop included the howness of developing the ways of contact, communications, and networking among the civil society organizations. The workshop also exerted on the dynamics of co-work and the patterns of performing various projects. Furthermore, it discussed the importance of mobilizing the campaigns to impact the decision-makers and the society eventually.

It is worth mentioning that TAMMUZ organization had held multiple workshops and social forums on the means of communication and networking for the cadres of the civil society organizations. These issues of communication were taken through the ways of building the capacities and other developmental projects which aim to better the life of civil society of Iraq.
